Dear Andy,

**Congratulations!** On behalf of the NavGurukul Admissions Team, we are delighted to offer you admission to the **NavGurukul Software Engineering Scholarship**.

Your hard work and persistence during the selection process convinced us that you have the right energy and talent to make great use of this opportunity. We are thrilled to welcome you to the **NavGurukul family**.

NavGurukul was started with a vision to enable each and every student to have access to a meaningful and high-growth career. While there are many options for people who have resources, our focus is to help students like you to have a choice and a voice - to bring good to you, your family and the community alike.

This scholarship is going to involve **exceptional hard work**, dedication and community work from your end. While you would work on your skills that would help you with the job, you will also go through a **journey of self-inquiry** through various activities that are waiting for you.

You have earned your way to the **fellowship**, and we are excited to work with you in the year ahead. You have to confirm your joining date within a month of receipt of this fellowship letter.

Please **contact Alisha Sadana (undersigned)** for any help you need to plan your travel and arrival at our campus.

Hoping to see you soon.

Warmly,
