Offer of Admission to Advance Diploma in SoftwareProgramming

Dear **Pratik**,

Greetings from Delhi Skill and Entrepreneurship University & NavGurukul!

We wish to inform you that on the basis of your performance in the 4-stage assessment process, we are pleased to make you an offer for admission to the Advance Diploma in Software Programming Course launched by Delhi Skill and Entrepreneurship University in collaboration with NavGurukul.

The course will begin tentatively in **February 2022**. Further information regarding the date of reporting to campus, date of commencement, schedule of classes and other such details will be sent to you shortly.

We congratulate you on your selection and wish you all the best!

WHAT IS THE COURSE?

The course aims at teaching 'Software Programming' through which students will be able to build mobile applications similar to WhatsApp, Facebook and others. At this time this course is offered only to girls and trans women. Participants of this course will be trained in using programming languages such as Python, Javascript, C++, etc. In addition, the course is focused on improving communication, employability, and citizenship skills. Self-reliance and improvement in confidence are important outcomes of the course. The course is immersive in nature and the students are expected to spend all their time towards the development of their programming and leadership skills.

WHAT WILL THE COURSE PROVIDE?

The Advance Diploma in Software Programming course is a fully funded, residential course for a duration of 20 months. Upon the successful completion of the course, each student will be offered a job on successful placements with a minimum starting salary of Rs. 20,000 in partner companies of NavGurukul such as MindTree, Directi, ThoughtWork etc.

ACCOMMODATION

The course in its entirety is fully-funded. Expenses pertaining to accommodation arrangements, meals & and technical requirements including but not limited to a laptop would be borne by DSEU and Navgurukul. While lodging and boarding is provided, it is expected that the students will participate in the upkeep of their lodging and preparation of meals.

Please duly confirm your acceptance of this offer letter.

Congratulations on your selection after multiple and exhaustive rounds for this course. We hope to see you join us at Delhi Skill & Entrepreneurship University, Sector 9 Dwarka, New Delhi and take charge of your future.
